CALL FOR PROPOSALS "BACHELOR'S AND MASTER'S THESES ON THE SOUTH TYROLEAN ECONOMY"

REGULATION

Article 1 Description and purpose

The **IER – Institute for Economic Research** of the Chamber of commerce of Bolzano-Bozen announces a call for proposals for the award of grants for Bachelor's or Master's theses which deal with topics related to the South Tyrolean economy.

The call for proposals will be held in two editions, one in the **winter semester 2022/23** and one in the **summer semester 2023**. A maximum of three grants of **1,500 EUR per thesis** can be awarded per edition. Funding will be provided for theses dealing with topics related to South Tyrol's economy.

Article 2 Participation conditions

The program "Bachelor's and Master's theses on the South Tyrolean economy" is open to duly registered students who are attending a **university or university of applied sciences** in Italy or abroad.

It is explicitly pointed out that **the thesis must not have been completed by the time the application form is submitted**. In addition, relatives (up to the 2nd degree) of employees of the Chamber of commerce of Bolzano are excluded from participation as well as final theses which are realized in cooperation with the IER.

Article 3 Application

The **students** present the applications.

Deadlines:

Summer semester 2023	
Time for applications for the competition and for sending the documents	<i>10 April to 11 June 2023</i>

Deadline for submission of the positive evaluation of the thesis (only for winners)	31 March 2024
---	---------------

Application requirements

To participate in the call for proposals, the following documents must be sent to the e-mail address wifo@handelskammer.bz.it:

1. the completed application form with the declaration of consent to the processing of personal data (see website);
2. a curriculum vitae.

The documents may be submitted in German, Italian or English.

All necessary documents must be sent by e-mail in PDF-format. The subject of the e-mail should include the participant's name and "Call for proposals – Bachelor's and Master's theses on the South Tyrolean Economy".

The following section explains some special features for the documents to be submitted with the application:

1. The **application form** with the **declaration of consent to the processing of personal data**

The applicant, in agreement with the academic supervisor of the thesis, registers for the program. For this purpose, he or she uses only the forms provided at www.wifo.bz.it/thesis. The application form may be signed digitally or by hand.

Guidelines for the exposé: (maximum of 3,500 keystrokes including spaces)

- a. What is the central research question? Why is this question relevant and important for the South Tyrolean economy?
- b. What is already known about this question?
- c. How will the research question be answered? What methodology will be used?
- d. How is the work structured roughly? By when should the work be completed?

The declaration of consent to the processing of personal data must be duly completed and signed and sent along with the application. If the declaration of consent is missing, the applicant will be excluded from the program.

2. The **curriculum vitae**

A current curriculum vitae must be submitted in PDF format.

Article 4

Evaluation of the submissions

Commission:

The IER of the Chamber of commerce of Bolzano appoints an internal evaluation commission with at least three members. The commission shall act at its own unquestionable discretion, and:

- determines up to three winners from all submitted exposés;
- may invite several candidates to a personal interview for decision-making purposes.

Three grants are planned for each edition. It is at the discretion of the commission to reduce this number.

In the event of a conflict of interest, the member of the commission concerned must refrain from evaluating the submission in question.

Evaluation criteria:

- Originality, novelty of the research question
- Relevance for the South Tyrolean economy
- Application of methods and feasibility

Article 5

Notification and announcement of grant recipients

The grant recipients will be announced in **February 2023** (for the winter semester 2022/23) and in **July 2023** (for the summer semester 2023). The grant recipients will be notified by e-mail. The results will be published on the homepage of the Chamber of commerce of Bolzano.

The grant recipients will be officially awarded at a **prize-giving ceremony held at the Chamber of commerce of Bolzano**. The exact date of the award ceremony will be defined in consultation with the winners. In any case, the prize will only be awarded after the positive evaluations of the completed theses has been submitted. The grant recipients will present the **results of their theses** at this event, at which photos or film recordings of the winners may be produced.

Article 6

Payment of prizes

The prize will be paid out directly to the winners, after **all** the following steps have been completed:

- The **thesis has been completed** and **evaluated positively**.
- The IER has been provided with a bachelor's or master's thesis in **digital form** as well as the expertise of the commission responsible for the evaluation of the thesis.
- The **results** of the thesis have been **presented** in person at an awards ceremony in the Chamber of Commerce of Bolzano.

Article 7

Intellectual property

The theses are the property of the students or the corresponding universities.

By participating in the program, the content of the theses may be used by the IER of the Chamber of commerce of Bolzano to produce information material, for publications and promotions of institutional initiatives and, in general, for its own institutional purposes in the various communication channels – also online – with the **author's name being indicated**.
